

Our Puppy Application Process

If you are interested in a puppy from Pecan Valley Poodles and Doodles, please fill out this puppy inquiry form as a way of introducing yourself to us, giving us information about you before we contact to schedule a time to visit with you by telephone. This form also explains what kind of homes we choose to place our puppies in.

Our first priority is that our puppies live full and happy lives in a home with people who love them. We try our best to place puppies only in the most loving and responsible of homes and this inquiry form helps us in that process. Buyer agrees to return dog to Seller, or allow Seller to re-home dog/puppy should it become necessary at any point during its life.

Puppies placed as 'companion only' will be spayed or neutered and are placed. We strongly encourage obedience training for all of our dogs.
